

2024 Scholarship Application

The Indiana Stock Show is an elite livestock event formed by people who are passionate about this industry and grew up showing livestock. We wanted to present the youth of Indiana with yet another opportunity to showcase their livestock. With that said, we would not be here if we ourselves had not grown up in this amazing industry that lead us to our decisions about college. So, this year we would like to offer one \$1,000.00 scholarship! Requirements for application are:

- Applicant must have showed at least 1 animal at the 2023 Indiana Stock Show & at least 1 animal at the 2024 Indiana Stock Show.
- Must be between the ages of 17-21 (as of January 1, 2024)
- Must provide grade transcripts from current school attending.
- Must be within good standing with that school & their community.
- Must have been or is currently enrolled in Indiana 4-H.
- Must provide an essay stating how showing livestock has impacted their life, prepared them for college & detailed description of your college plans & career plans. Please also provide your name, address, contact information, high school attended/attending, & college attending or planning to attend.
- Must be or planning to attend college for an agricultural major.

Our Scholarship Selection Committee will review & score all applications independently & decide which young person best fits the guidelines we have set forth. The winner will be announced by Amanda Thompson, the Executive Director, during the Grand Drive at the Indiana Stock Show.

Please email your essay & grade transcripts to info@indianastockshow.com or mail your essay & grade transcripts to:

**Indiana Stock Show-scholarship
PO Box 11 Kirklin, IN 46050**
